The Hood Golf League

Everything below this paragraph is based on 18 team league

Place: Bluffton Golf Club

Day&Time:Thursdays starting 5/1 Running 18 weeks 1st tee time is 4:45

Weeks 1 through 17 round robin

Weeks 18 will be fun night and we will have a 8 4 man scramble teams and banquet following

*****BYE WEEK JULY 3RD FOR ENTIRE LEAGUE*****

** - All Skins and League Money and awards will be disbursed on night of week 18

\$50 Deposit required is for skins for entire period of league, and prize fund

Deposit due 3/1/25 we have a deadline with course to commit number of players

League is a fun league and scoring/rules are therefore as follows:

2 man scramble format

match play 1 point each hole won or .5 point to each team for halved hole

1 point awarded for winning net strokes or so total of 10 points

points awarded after hcp or net score

HCP Figured as follows:(score minus par*HCP%)

WK	HCP%	Rounds Used
1	85	1
2	85	1
3	85	2

4 85 3

team1 hcp	team 2 hcp	Diff
8	6	2

so here team 2 would give two strokes to team 1 on two lowest #'ed hcp holes to figure net

net on other 7 holes would be actual score vs score

handicaps will be based on last 3 rounds played with same partner

handicaps will start after 1 round played with same partner

if you have a sub then handicap will be figured based on sub/partner for that night and if those two play again we will use scores to figure hcp

Skins: \$72/ week total purse \$2/person*36people

\$42/GROSS SKINS PER WEEK AND \$30/NET SKINS PER WEEK

No skins won during a week will carry forward to next week

Skin money left at end of year will be split evenly amongst league players

ALL SKINS WILL BE AWARDED AT SEASONS END IN A LUMP SUM ALONG WITH PRIZE MONEY

There will be both gross skins and hcp'ed skins

Your hcp for skins will be based on league average hcp

To be eligible for prize money or skin money at year end you had to play 50%

or more weeks, THIS LEAGUE NEEDS TO BE COMMITTED BY MEMBERS TO WORK,

exception is you will be considered present if u get a sub.

If one of the team members played 50% weeks at least but their team member fell short

they will qualify for 1/2 their teams allotted money other half goes into prize fund

Playing rules:

In the event that one teammate can't show try to find a sub and or have Mike Inskeep find a sub

If for some reason you can't find a sub and play solo you get two shots till you reach green then 1 putt

All men play gold tees, woman red except 1st/10th tee
1st/10th tee Men age <75 Blue, 75+ Grey Women Gold

Triple bogey is the maximum score on any given hole

If best ball is in hazard or out of bounds then no loss of distance but 1 stroke penalty,
place back in play no closer to the hole

Scramble rules/winter lie rules/all shots placed within two club length of best shot hit no closer to the hole

Only gimmies allowed and to keep it consistent across the board (when placing putter in hole anything up to grip is a gimmie all other lengths must be putted)

Finally each team will nominate a captain, should any problems arise the 16 captains will vote on resolution and if it's a 8 8 tie league president Mike Inskeep will make final decision
